## HISTORY

At the Memphis Annual Conference, held at McKenzie, Tennessee, in November, 1921, it was decided that there should be established at Jackson, Tennessee, a co-educational institution of standard college grade to be known as Lambuth College. Since 1843 the Memphis Conference had maintained an interest in the Memphis Conference Female Institute at Jackson, (established by the Presbyterians in 1837) and from 1911 to 1920 had owned the Institute outright. The institution was closed in 1920, the property was sold, a new site purchased, and the present Administration Building was erected in 1922. By an amendment to the old charter of 1843 the name was changed to Lambuth College.

On September 10, 1924 the College opened its first session, offering the first two years of college work. In 1925 the junior year was added, and in 1926 the senior year. At the annual meeting of the Tennessee College Association, held in April, 1927, Lambuth was admitted to membership in this organization as a standard college.

Because of insufficient endowment the college is not a member of the Southern Association of Colleges and Secondary Schools. However, its students experience no difficulty in securing full credit for their work at the leading institutions of this region.

Lambuth College has been given full certification privileges by the State Board of Education of Tennessee, and several other states recognize the College as a teacher training institution.

## AIMS

The general aim of Lambuth College is, to use the words of the late Ernest DeWitt Burton, "to develop . . . personalities capable of full participation in life and of significant contribution to life."

More specifically, Lambuth College aims:

To enable its students to understand and appreciate more fully the physical universe in which they live and to relate themselves properly to it;

To give them an appreciation of the contributions of the past to the present and to put them into possession of some of the cultural and spiritual heritage of the race;

To give them a sense of social responsibility and to enable them to identify their good with that of the social organism;

To enlarge their conception of God and of religion, and to make them more intelligent, useful and devoted Christians.

An immediate aim of the college is to provide for the Memphis Conference a group of ministerial and lay workers who are equipped intellectually, socially, and religiously for leadership in the work of our church.

## LOCATION

Geographically Lambuth College has an ideal situation. Jackson, a city of about 30,000 people, is in the heart of the Memphis Conference territory. It is reached by three railroads and by several good highways, which touch almost every part of the Conference. It is a city of churches, schools and numerous wide-awake civic organizations. Jackson is accessible to hundreds of prospective college students, many of whom attend Lambuth College from home by train, bus or private conveyance.

## BUILDINGS

The Administration Building is a three-story structure with a basement. It contains offices, class rooms, laboratories, the library, and the chapel. The third floor is used as a dormitory for women students.

Epworth Hall, the dormitory for men, is a modern fireproof building containing fifty bed rooms. The cafeteria is located here.

The Student Building is a two-story brick veneer structure located south of the Administration Building. It was built during the 1947-48 session. On the first floor are a recreation room for students, the college bookstore, two offices, rest rooms and a storeroom. The second floor is occupied by the music department. It contains four studios, seven practice rooms and a reception hall.

The Physical Education Building is now under construction. It should be completed by September, 1948. It will be a beautiful brick structure, with stone trim. The central portion is a gymnasium, 76 feet by 100 feet. The two wings will contain offices, shower rooms, locker rooms, supply rooms, game rooms and a kitchen.

The President's Home is a nine-room brick veneer building located near the campus.

### **CAMPUS**

The campus, consisting of twenty-two acres, lies on the west side of Lambuth Boulevard in the northwest part of the city. It is one of the most beautiful spots in Jackson. Space is provided for tennis courts, football and baseball fields, and a golf course.

### **EQUIPMENT**

The entire equipment of the college is modern and of high grade. Steel furniture is used in both dormitories. In every department of the college the equipment has been chosen not only for durability, but for attractiveness of appearance.

### **EXPENSES**

The College authorities encourage the students to practice economy in their personal expenditures, and seek the co-operation of parents to this end. Every effort is made to keep the cost of a college education within the reach of every worthy and capable young man and woman.

### **Tuition and Fees**

Tuition for the session of three quarters is \$210.00. One-sixth of this, or \$35.00, is payable at the beginning of each quarter and at the mid-point of each quarter. This rate applies to all students carrying from twelve to sixteen quarter hours of work. Students carrying fewer than twelve hours of work pay \$6.00 per quarter hour. Those carrying more than the normal load of sixteen hours pay \$3.00 per quarter hour for each additional hour.

Laboratory fees, music fees and the diploma fee are additional.

The payment of tuition does not cover the cost of the Lantern or of tickets to athletic games. Those who desire a copy of the Lantern will place orders with the Lantern staff. Tickets to athletic contests may be bought as needed by those who desire them.

A concession of \$20.00 per quarter for each of the three quarters of the regular session is given to children of active ministers, wives of ministers, and ministerial students. No further reduction is made such students unless they carry a load of eight hours or less. In this case, they pay the same rates as other part time students.

For a student to be classed as a ministerial student he must hold a license to preach from the Methodist Church, or a statement from the proper authorities of another denomination that he has taken the beginning steps required of one who enters its ministry.

### Diploma Fee

A diploma fee of \$10.00 is required of each graduate.

### Laboratory Fees

The following laboratory fees are charged students who take laboratory courses. These are payable on tuition paying dates.

#### Board and Room

Room rent for each student in the dormitories is \$63.00 for the session of nine months, or \$10.50 on each tuition paying date. Each room in the women's dormitory is furnished with two tables, chairs, a dresser, or a chest of drawers, twin beds, or a single bed and a double decker, mattresses, two clothes closets and a lavatory. The bath rooms have both tubs and showers.

In the men's dormitory each room has all of the above furnishings except the lavatory. There are shower baths on every floor.

Students furnish bed-clothes, sheets, pillows, pillow slips, soap and towels.

Meals in the cafeteria cost an average of \$7.50 a week. Tickets may be purchased in the business office. The cafeteria is operated on a strictly cash basis. Students desiring to pay all their bills in six equal installments may do so and secure meal tickets as they are needed.

The college reserves the right to change the price of meal tickets at the beginning of each six weeks' period provided fluctuations in the price of foodstuffs make this necessary.

### Regulations Regarding Payments

Tuition and fees must be paid or arranged for before the student is admitted to classes. A student withdrawing during the first week of a quarter will be refunded all charges for tuition and fees except \$10.00 to cover the cost of registration. After the first week no refund will be made unless the student is disqualified by severe illness for as much as three weeks. In such case one-half of his tuition for that six weeks' period is refunded.

All bills for tuition, board and fees of all kinds must be paid in full or provided for in a manner satisfactory to the administration before the student may receive college credit.

Students will not be permitted to become seriously delinquent in the payment of their bills.

### Incidentals

The early training and habits of people vary so much that it is impossible to estimate the incidental expenses of a student for a session. Many of our students must pay part of their expenses by working and necessity requires that they practice strict economy. All others are urged to do so.

### Expenses of Dormitory Students

	<b>Six Weeks</b>	<b>Quarter</b>	<b>Session</b>
Tuition .....	\$35.00	\$ 70.00	\$210.00
Room .....	10.50	21.00	63.00
Board .....	*45.00	90.00	270.00
<hr/>			
Total .....	\$90.50	\$181.00	\$543.00

### Expenses of Non-Dormitory Students

	<b>Six Weeks</b>	<b>Quarter</b>	<b>Session</b>
Tuition .....	\$35.00	\$ 70.00	\$210.00

The above figures do not include books, incidentals, laboratory fees or music fees.

### SELF-HELP

The College offers to a limited number of students the opportunity to pay part of their expenses by performing certain tasks connected with the maintenance of the institution, such as work in the cafeteria, library, offices and laboratories. The College has many more applications for employment than it can fill. It is possible for a few students to find places in the city where they can work for room or board. In assigning

---

\*Estimated average cost

students to jobs the College takes into account the need of the student for help, his past record for faithfulness, and his fitness for the task.

Money earned in this way must be applied on the student's obligations to the College.

### STUDENT LOAN FUNDS

**The Mattie Rice Walker Loan Fund.** This is an endowed loan fund established in 1944 by the late C. M. Walker, of Dyersburg, Tennessee, the income from which is to be used to assist worthy Dyersburg High School students in meeting their expenses at Lambuth College. The recipient of the loan is determined annually by a committee of the high school faculty. In case there should be no applicant from the Dyersburg High School, the College has the privilege of selecting some other worthy boy or girl, preference to be given to a ministerial student. The beneficiary of the loan shall make a non-interest bearing note. When the loan is repaid, the money is to be turned back into the loan fund, to be reloaned. It is one of the conditions that the recipient shall neither use tobacco in any way, nor drink spiritous liquors while benefiting from this fund.

**Jackson First Church W. M. S. Loan Fund.** In 1931 the Woman's Missionary Society of the First Methodist Church, Jackson, Tennessee, gave \$500.00 toward establishing a loan fund for worthy students.

**Lillian Howard Murphy Sunday School Class Loan Fund.** This loan fund of \$120.00 was provided by a class of young women of the First Methodist Church, Jackson, taught by Mrs. Lillian Howard Murphy.

**W. P. Prichard Loan Fund.** The late Rev. W. P. Prichard of Murray, Kentucky, established a loan fund for worthy students which now amounts to \$1,000.00.

**Clem Wadsworth Student Loan Fund.** In 1938 Mr. Clem Wadsworth of Ripley, Tennessee, established a \$500.00 loan fund for the benefit of students who expect to engage in full time religious work.

**Chi Omega Loan Fund.** A revolving loan fund of \$40.00 was given by the Chi Omega Alumnae Chapter of Jackson in 1936. A senior girl recommended by a committee of the faculty will be the beneficiary.

**Sallie Parker Lacy Loan Fund.** This is a loan fund of \$190.00, established in 1944 by Mrs. Bardwell Murdoch, Mrs. Sudie McNeill and Miss Esther Hunt.

Several other small loan funds have been provided at various times by the following individuals: the late Mrs. Drusilla McCutcheon and Reverend E. L. Robinson, who established the first loan fund; Mrs. Florence Collins of St. Petersburg, Florida, in memory of her son; and the late Mrs. Mary Alice Vaughan. These funds are all administered in keeping with the wishes of the donors.

**Harold Council Loan Fund.** This fund of \$500 was established in 1947 in memory of Harold Willard Council, a former student in Lambuth College, who was killed in action on November 23, 1944. Members of the Council family and of the Nicholas family, of which his wife is a member, contributed to the fund.

**Mrs. C. A. Baker Loan Fund.** This fund of \$100 was established in 1947 by Mrs. C. A. Baker, the former Ruth Wade, in memory of her parents, Mr. and Mrs. J. G. Wade, of Cayce, Ky.

### SCHOLARSHIPS

No student may be eligible for more than one unendowed scholarship in any given year.

**Adine M. Taylor Scholarship.** This scholarship was established in 1930 by the late Mrs. Adine M. Taylor of Paducah, Kentucky, who bequeathed to the college \$3,000.00. The interest on this amount is used to support the scholarship.

**Eliza Bowe Curtsinger Scholarship.** This scholarship fund of \$1,000 was contributed in 1935 by the late Mrs. Eliza Bowe Curtsinger of Bardwell, Ky. The interest on this amount is used for the benefit of some ministerial student.

**Annie Lou Jones Scholarship.** By her will the late Miss Annie Lou Jones, of Jackson, Tennessee, left an apartment house to Lambuth College. The income from this property is to be used to pay the tuition of worthy students. Since her life work was teaching, this fund will extend the useful service of Miss Jones indefinitely. The fund was established in 1941.

**John O. Bomer Scholarship.** In 1947 a fund of \$2,000 was turned over to the College to support a scholarship in memory of the late Mr. John O. Bomer of Brownsville, Tennessee, who was for many years a valued trustee of Lambuth College. Each year for four years the sum of \$500 will be used for the education of some ministerial student of ability and promise, who cannot attend college by any other means. The beneficiary of this scholarship must meet the scholastic and character requirements of the institution and must be single when the scholarship is first awarded. His selection must be approved by the donor. The scholarship is given for only one year at a time. It may be given to the same individual more than once if his record of progress in college should justify it.

**Scholarships to Ministerial Students.** See page 12.  
**Scholarships to Children of Ministers.** See page 12.

### AWARDS

**Omega Upsilon Lambda Award.** Each year the Omega Upsilon Lambda Sorority awards a silver loving cup to the student who has rendered the largest service to the college during his connection with it. Character and ideals, scholarship, participation in student activities, leadership qualities, co-operativeness and general usefulness are considered. The recipient of this loving cup is selected by the faculty.

Below are the names of those who have been chosen for this honor since 1928.

## REGULATIONS RELATING TO STUDENTS

### Statement of High School Work

A properly certified statement of the student's high school work should be sent to the College before the fall opening, and must be in the hands of the Registrar not later than the end of the first quarter. The final enrollment of a student is deferred until such a statement has been sent in by the proper preparatory or high school authorities and evaluated by the Registrar of the College.

### Registration

The days set aside for regular registration are indicated in the college calendar at the beginning of the catalogue.

Within the registration period the student may make desired changes in his schedule, but for each change made on his own motion after this he is charged a fee of two dollars.

Students registering after the regular registration period will pay an additional fee of \$2.00.

### **Classification of Students**

The student may be regularly classified after his secondary school record has been accepted.

Normal progress in the College requires that a student carry 48 quarter hours each year and earn an equal number of quality credits. For convenience in administration all regular students are classified early in the fall quarter according to the following standards:

**FRESHMEN:** Those who have completed fewer than 42 quarter hours.

**SOPHOMORES:** Those who have completed 42 quarter hours.

**JUNIORS:** Those who have completed 96 quarter hours, with 96 quality credits.

**SENIORS:** Those who have completed 138 quarter hours, with 138 quality credits.

### **Admission to Advanced Standing**

To secure advanced standing in the College the student must present an official certificate showing that he has completed sufficient work in some recognized college or university. He must also present the usual certificate showing that he has completed our entrance requirements. If he cannot show a sufficient number of high school units, part of his advanced work will be counted toward making up the deficiency.

Students transferring grades of D from another institution will be required to make one additional quality credit on work done at Lambuth College for each quarter hour of D grade work offered.

### **Grading and Reports**

The following passing grades are given: A, excellent; B, good; C, average; D, poor. F indicates failure; I, incomplete work. A report of the standing of each student is made to the parent or guardian each quarter, and a duplicate of this report is furnished the student. A student making I or F will be given the following quarter to remove the condition. Instructors turning in to the Registrar's office a grade of I must file with the report of the grade a written statement of the work required to remove the condition.

In reporting students who have dropped courses instructors will indicate the character of work done by the student up to

that point by the use of the phrase "dropped passing" or "dropped failing."

### Quality Credits

A student must earn 192 quality points before a degree will be conferred. For a course carried throughout a quarter with a grade of A, three (3) quality points per quarter hour will be awarded; for a grade of B, two (2) quality points; for a grade of C, one (1) quality point.

Students who maintain an average of 2.125 quality points per quarter hour throughout their entire college course will receive their degrees **cum laude**; those who maintain an average of 2.5 quality points per quarter hour throughout their entire college course will receive their degrees **magna cum laude**; and those who maintain an average of 2.875 quality points per quarter hour throughout their entire college course will receive their degrees **summa cum laude**. To be eligible for a degree with honors, the student must have earned all his credits in Lambuth College.

### Maximum and Minimum Number of Hours

Sixteen hours per quarter constitute a normal amount of work for a student. The amount of work a student may carry in excess of sixteen hours depends on the quality of work he does and the number of extra-curricular activities in which he engages. The authority to enroll a student for more or less than a normal load is vested in the Dean.

### Absence

If a student who is not an authorized representative of the college is absent from more than one-sixth of the meetings of any course after his registration, he will be dropped from the course. If he is failing the course at the time he is dropped, the grade for that course will be recorded as an F. If a student's absence is from all courses, and unavoidable, he may be permitted to re-enter certain of these courses on the approval of the Dean.

Freshmen and sophomores must attend all classes unless excused by the Dean.

If a student is tardy three times in one class, one absence will be charged against him.

Explanation:

1. Absences are counted after but not before registration.
2. A student must attend  $\frac{5}{6}$  of his class meetings after his registration or be dropped from that course.

3. Authorized absences of a student when representing the college will not be included in the number of absences which might cause such a student to be dropped from the course.

4. The class work missed by such student for such cause should be made up before the absence takes place if practicable.

5. If the class work of such student is not made up at any time, the student will receive an F for that daily class work.

6. It will be the responsibility of the student to furnish the teacher with the evidence that his absence was authorized and that he was representing the college.

### **Probation**

Any student passing less than twelve hours of work in any quarter, or any student not passing all his work if taking less than twelve hours, will be placed on probation for one quarter.

Should he fail to pass the required amount of work during this quarter, his case will be considered by the accrediting committee, and he may be asked to withdraw.

### **Participation in Student Activities**

Students will be checked on grades at the end of each six weeks' term. Neither probation students nor regular students passing less than twelve hours may represent the college in any public activity, such as dramatic club performance, debating or athletic contests. Part time students are eligible to represent the college in such activities if they are passing all their work.

### **Examinations**

**Regular.** Regular examinations are held during the closing week of each quarter. In determining the standing of a student in any subject the daily class work counts as five-sixths and the examination grade as one-sixth.

**Comprehensive.** A comprehensive examination, mostly oral, is given each candidate for graduation. The examination covers all courses taken by the candidate in his major and minor subjects. The examining committee consists of the Dean as chairman, the major professor and the minor professor. When the Dean is either the major or the minor professor, he will appoint the third member of the committee from the faculty.

Seniors may take a seminar in the major field for one quarter in lieu of the comprehensive examination.

**Special.** The lowest passing grade in all courses is D. A student who makes less than D on any course due to final ex-

amination failure is permitted one special examination. Failing to pass the special examination, he is required to repeat the course. A student willfully absenting himself from a regular examination will be given a special examination only by permission of the faculty. Request for this privilege must be made in writing, the cause of absence specified, and a fee of one dollar paid.

No examination will be given on work that has not been taken regularly in class.

### **Transcript of Record**

Each student may receive two copies of his transcript without charge. For each additional copy one dollar is charged. However, no transcript is furnished until the student has paid his account, or made satisfactory arrangements for its settlement.

### **Chapel Attendance**

A brief chapel service is held three times a week in the College auditorium. Attendance is compulsory. On Monday and Wednesday the president and members of the faculty have the responsibility for the exercises; on Friday the students.

### **Church Attendance**

All students are expected to attend Sunday School and at least one preaching service each Sunday. Participation in the work of young people's organizations in the churches of the city is also urged. Students are encouraged to attend religious services and take part in Christian work.

### **Boarding Places**

The College has one dormitory for women and one for men. Students who are unable to secure rooms in the dormitories may arrange to live in private boarding places. Young women students boarding in the homes of citizens are under the general supervision of the Dean of Women, and young men students are responsible to the Assistant Dean.

### **Dormitory Regulations**

In the dormitories an effort is made to give the student the atmosphere of a well-ordered home. Of course, a few regulations are necessary. Students are expected to respect the rights of others, to be orderly in their habits, and to assist the College authorities in making the dormitories as home-like as

possible. Each dormitory has its own Council under the direct supervision of a hostess.

### **Discipline**

Lambuth College is an institution of the Methodist Church. It derives its support from the church. Its students are therefore expected to conduct themselves in a way that will honor the church which makes their education possible. Specifically, they are expected to refrain from drinking, gambling, frequenting questionable places of amusement, and engaging in immoral practices of whatever kind. Matriculation in the college is considered an acceptance of all the regulations relating to the conduct of students.

Hazing is strictly forbidden. Certain forms of freshman initiation are permitted. This initiation program is planned by a special committee of the Student-Body Association and is restricted to such activities as are prescribed by this committee and approved by the Student-Body Association and the college administration.

Each student is expected to attend at least one service each Sunday in a church of his or her choice, and the chapel service three times a week.

Failure of a student to co-operate with college authorities in carrying out the regulations of the institution, or failure to benefit from his course of study may result in his being asked to withdraw from the college.

### **Athletics**

A program of athletics is included in the offerings of the department of Health and Physical Education. Included in the list of intercollegiate sports are football, men's basketball, baseball, men's tennis and women's tennis. The intra-mural program includes not only these sports, but also women's basketball, soft-ball, volleyball, croquet, archery, riflery, canoeing, swimming and bowling.

No financial inducements of any kind are used to influence students to participate in any intercollegiate sport. All students are encouraged to take part in some form of athletics because of the physical, mental and social benefits they may derive from such action. The college authorities believe that wholesome recreational activities play an important part in a student's education.

### **STUDENT ORGANIZATIONS**

Certain forms of extra-curricular student organizations are maintained and promoted in the college. The college recog-

nizes that there is an important phase of a liberal education which can come only through activities outside the classroom. The following associations and clubs are officially recognized by the college and are responsible to the Advisory Committee of the Faculty.

**Student Body Association.** This is an organization of the entire student body, which aims especially at fostering college spirit, and through which the students act collectively in all their college relations.

**The Student Christian Association.** This organization is responsible for all student religious activities on the campus. Through its committees it carries on such activities as weekly vesper services, Fellowship Team trips, social service work, and world friendship projects. It sponsors such things as Religious Emphasis Week and the visits of outstanding religious leaders to the campus. All students are urged to belong to the SCA and to participate in its activities as a part of their college experience.

**The Dramatic Club.** The purpose of this organization is to give those students who have ability in dramatic work an opportunity to cultivate this talent and gain poise and self-confidence in public appearances.

**The Modern Language Club.** The club is composed of those modern language students who are especially interested in developing an active control of their language and acquiring a more cultural acquaintance with the customs and literature of the people.

**The Music Club.** This club is a member of the Tennessee Federation of Music. Opportunities for appearance on programs are given all students of the music department.

**The Home Economics Club.** This club is composed of those Home Economics students who are especially interested in Home Economics education. The aims of the club are to stimulate an interest in home making, establish ideals as to the importance of the home-making job, and develop an appreciation of home life in the minds of the students, so that they may become leaders in home and community life.

**The Literary Forum.** This club is composed of juniors and seniors who have at least eighteen quarter hours in English

and who plan to major or minor in that field. The membership is limited.

**The "L" Club.** This club is composed of all students who have been awarded an "L" by the college athletic committee. The aims of the club are to promote amateur athletics in the College and to develop in the players appreciation of the ideals for which the Department of Health and Physical Education stands.

**Social Clubs.** There are three recognized social clubs for girls and three for boys in the College, all under the supervision of the Student Advisory Committee. The officers and members of these organizations are required to conduct their affairs in keeping with a few faculty regulations. No club shall assess dues or other charges totaling more than \$5.00 a quarter nor adopt a pin that costs more than \$10.00. Each club shall have the privilege of a room for its meetings as long as it is convenient for the College to provide it. It is understood and agreed that a student's loyalty to his club shall be subordinate to his loyalty to Lambuth College. Any tendency of club groups to destroy the unity of the College community will not be tolerated by college authorities.

Students desiring to organize a new club shall present their petition to the Student Advisory Committee of the faculty with the signature of all charter members. If approval is secured, the new club may operate a year on probation. If at the end of this time it is found in good standing, it shall be entitled to the full privileges of Lambuth College clubs.

Organizations and clubs not complying with the regulations for extra-curricular activities are not permitted to operate in the College.

## PUBLICATIONS

**The Lambuth Messenger.** The Messenger, the organ of the college administration, is published six times a year. It carries to the alumni and other friends of the college news of important happenings on the campus and special articles dealing with the aims, purposes and educational philosophy of the institution.

**The Lambuth Vision.** The Lambuth Vision is the student newspaper. It is published by a staff elected by the students.

**The Lantern.** The Lantern is the college annual. The first issue of this publication appeared in 1927. It is managed jointly by the administration and the students.

### THE LIBRARY

A small, but carefully selected library has been built up since the college opened. New books are being rapidly added and the catalog perfected. About eighty newspapers and periodicals come regularly to the reading room.

### LABORATORIES

Facilities are provided for laboratory courses in Botany, Business Administration, Chemistry, Clothing, Foods, Physics and Zoology.

### STUDENT COUNSELING

Recognizing that the life of a college student in these times is crowded with problems, the college authorities seek to aid the students in solving as many of them as possible. The President, the Dean, the Assistant Dean, the Dean of Women and the Registrar are general counsellors, while heads of departments are responsible for advising their major students.

### REQUIREMENTS FOR ADMISSION

For admission to the freshman class the College requires that a student offer by certificate from an accredited high school fifteen units, or that he pass satisfactorily an examination on the courses required for admission. An entrance unit is the measure of the work required for completion of one high school subject taken five times each week, in recitation periods of forty-five minutes throughout a session of thirty-six weeks. For the average high school student four units make a year's work. Such a student should be able in four years to complete the entrance requirements of Lambuth.

Of the fifteen units required for entrance to the course leading to the degrees of Bachelor of Arts and Bachelor of Science, three shall be in English. Of the remaining twelve units required not more than four shall be in vocational subjects.

Persons twenty-one years of age and over who cannot offer the required number of units for admission may register as special students for such courses as they may be able to carry. All entrance requirements must be fully met, however, before special students can become candidates for graduation.

Veterans 20 years of age who cannot offer the required number of units for admission may register as special students on the above condition.

A student who seeks to enter on certificate from an accredited high school should send for accrediting blank, have it filled out by the principal or superintendent, and forward it at once to the Registrar's office, so that it may be examined and the amount of credit determined before the session begins.

## GENERAL REQUIREMENTS FOR GRADUATION

Lambuth College confers the degree of Bachelor of Arts and the degree of Bachelor of Science. Sixty-four session hours, or 192 quarter hours and an equal number of quality points are required for graduation. No student may receive more than one degree.

Students transferring from other institutions are required to spend at least three quarters in residence and do at least forty-five hours of work in Lambuth before they can receive their degrees.

At the beginning of the junior year all students will be examined by a series of standardized tests and by a series of written themes as to their ability to write acceptable English. Demonstration of the ability to use English as a tool subject throughout the four years is a requirement for graduation. A student will not be classified as a senior until this requirement has been met.

All candidates for graduation are required to pass a comprehensive examination on their major and minor subjects, or to take a seminar of one quarter in the major field.

### Requirements for the Degree of Bachelor of Arts

The minimum requirements by departments for the degree of Bachelor of Arts are:

	Quarter Hours
English .....	24
(Nine quarter hours in written English, six in oral English, nine in literature.)	
Religion .....	12
American History.....	9
American Government .....	6
Science .....	18
(At least eight hours in each of two of the following: Biology, Chemistry, Mathematics, Physical Science I, Physics.)	
Foreign Language .....	9 or 18
(Nine hours if taken in same language offered for entrance and eighteen hours if taken in a language not offered for entrance.)	
Psychology .....	6
Sociology .....	9
Health and Physical Education.....	9
(Health 6 hours; Activity Courses in Physical Education 3 hours.)	

A major may be taken in Biology, Business Administration\*, Chemistry, English, French, History, Home Economics, Mathematics, Music, Religion, Sociology, Spanish.

A minor may be taken in any of the above fields. A second minor may be taken in any of the fields in which a minor is offered.

### Requirements for the Degree of Bachelor of Science

The minimum requirements for the degree of Bachelor of Science are:

	Quarter Hours
English .....	24
(Nine quarter hours in written English, six in oral English, nine in literature.)	
Religion .....	12
American History .....	9
American Government .....	6
Science 18 (at least eight hours in each of two of the following:)	
Biology	
Chemistry	
Mathematics	
Physical Science 1 (a, b, c)	
Physics	
Psychology .....	6
Health and Physical Education .....	9
(Health 6 hours and 3 hours in activity courses in Physical Education.)	
Sociology .....	9

A major may be taken in Biology, Business Administration, Chemistry, Home Economics, Mathematics, Secretarial Science, Physical Education, or Sociology.

A minor may be taken in any of the above fields. However, Business Administration is the only field in which a major in Secretarial Science may take a minor. See page 34.

### TEACHER TRAINING COURSE

Students wishing to qualify for an elementary teacher's certificate must register for the following courses:

#### Freshman Year

Education 1 (a, b, c) .....	9 hours
English 1 (a, b, c) .....	9 hours
History 3 (a, b, c) .....	9 hours

\*No credit in courses listed under Secretarial Science except B.A. 19c may be counted toward the Bachelor of Arts degree. Three hours credit in Business Administration 19c may be elected.

Science .....	9 or 12 hours
Physical Education 2.....	3 hours
Education 4 (a, b).....	6 hours
English 35 .....	3 hours

### Sophomore Year

Education 49.....	3 hours
Education 53.....	3 hours
English 25 (a, b, c).....	9 hours
Business Administration 25 (a, b, c).....	9 hours
Health 11, 12, 14.....	9 hours

Education 6.....	3 hours

## PRE-PROFESSIONAL COURSES

Students who have completed three sessions (144 quarter hours) at Lambuth College and who desire to enter a professional school, may transfer 48 quarter hours of professional work in law, medicine, or theology and meet the requirements for a degree at Lambuth College.

### Pre-Medical Course

The following course is suggested for students who are preparing to enter schools of medicine:

#### Freshman Year

Chemistry 2 (a, b, c).....	12 quarter hours
Mathematics 1, 2, 3.....	15 quarter hours
Foreign Language .....	9 quarter hours
English 1 (a, b, c).....	9 quarter hours

#### Sophomore Year

Chemistry 31, 32, 33.....	12 quarter hours
Biology 25 (a, b, c).....	12 quarter hours
Foreign Language .....	9 quarter hours
English 25 (a, b, c).....	9 quarter hours
History, Social Science or Economics.....	9 quarter hours

#### Junior Year

Physics 1 (a, b, c).....	12 quarter hours
Biology 60 (a, b, c) or Biology 70 (a, b).....	9 or 6 quarter hours
Chemistry 61 (a, b, c).....	12 quarter hours
Electives .....	18 quarter hours

### Pre-Engineering Course

The following course is suggested for students who are preparing to enter schools of engineering:

Chemistry 2 (a, b, c).....	12 quarter hours
Mathematics 1, 2, 3.....	15 quarter hours
English 1 (a, b, c).....	9 quarter hours
Economics 32 (a, b, c).....	9 quarter hours

In certain cases a pre-engineering student may profitably take a second year before transferring to an engineering school.

### Pre-Law Course

The following courses are suggested for students interested in the study of Law:

History 2, 3, 50; Education 78; Economics 32 or 50; Sociology 51; and Political Science.

## DEPARTMENTS OF INSTRUCTION

---

### Explanatory Note

Courses ordinarily taken by freshmen are numbered 1-24; those intended for sophomores, 25-49; those usually taken by juniors, 50-74; and those planned for seniors, 75-99.

### BIOLOGY

MR. OXLEY

The courses of this department are intended to give an increased appreciation of life and to serve as a basis for further work, such as medicine, agriculture, home economics, teaching and graduate study.

1. (a, b, c) **Introduction to the Biological Sciences.** This course will extend the concepts built upon the order of the physical universe into the living world and show how an understanding of life processes and principles may enable man to relate himself more effectively to the world in which he lives. Elected during the freshman or the sophomore year. Three hours a week throughout the year. Credit, nine quarter hours.

25. (a, b, c) **General Zoology.** The principles of animal biology are studied as illustrated by study of the frog as a typical vertebrate and a survey of other representative animals. Throughout the year. Open to all students. Credit, twelve quarter hours.

40. **Trees.** A course dealing with the identification, uses, distribution and ecology of our local shade and forest trees. Some time is spent on the many phases of forestry as they touch our lives. Spring quarter. Credit, three quarter hours.

50. **Conservation.** An introduction to the principles and practices of conservation of our soil, forest and wild life resources with a background of ecology. Three hours a week. Fall quarter. Credit, three quarter hours.

55. **General Botany.** An introduction to plant biology. Three hours a week throughout the winter and spring quarters. Credit, six quarter hours. Not offered 1948-49.

60. (a, b, c) **Principles of Modern Biology.** Especially for teachers and other leaders. Heredity, eugenics and related problems are the basis of this course. Open to juniors and seniors, or by permission of the instructor. Throughout the year. Credit, nine quarter hours.

70. (a, b) **Vertebrate Zoology.** A series of vertebrates will be studied with greater emphasis upon the dogfish and mammel. Prerequisite: Biology 25 (a, b, c). Three hours a week throughout the fall and winter quarters. Credit, six quarter hours. Offered 1947-48 and alternate years.

## **BUSINESS ADMINISTRATION**

MISS ADAMS  
MR. HOFFMAN

A major or a minor in Business Administration must be selected from the courses listed under General Business.

### **General Business**

32. (a, b, c) **Introduction to Economics.** Three hours a week throughout the year. Credit, nine quarter hours.

50. (a, b, c) **Economics.** Three hours a week throughout the year. Credit, nine quarter hours. Not offered 1947-48.

55. (a, b, c) **Business Law.** Three hours a week throughout the year. Credit, nine quarter hours.

60. (a, b) **Taxation.** Two hours a week. Fall and winter quarters. Credit, four quarter hours.

61. (a, b) **Cost Accounting.** Two hours a week. Fall and winter quarters. Credit, four quarter hours.

62. (a, b, c) **Advanced Accounting.** Three hours a week throughout the year. Credit, nine quarter hours.

63. **Auditing.** Prerequisite: Nine quarter hours of Accounting. Two hours a week. Spring quarter. Credit, two quarter hours.

65. **Marketing.** Three hours a week. Credit, three quarter hours.

70. **Advertising.** Three hours a week. Credit, three quarter hours.

75. (a, b) **Economic History.** Same as History 75 (a, b).

77. **Economic Trends 1919-29.** Three hours a week. Credit, three quarter hours. Offered in 1947-48. (Same as History 77).

78. **Economic Trends, 1929-41.** Three hours a week. Credit, three quarter hours. Offered in 1947-48. (Same as History 78).

81. **Business Finance.** Two hours a week. Spring quarter. Credit, two quarter hours.

### Secretarial Science

A major in Secretarial Science will include the following courses: Business Administration 1, 19c, 20c, 24abc, 28abc, 45ab, 52ab, 59abc. One who majors in this field must select a minor from the courses listed under General Business.

A minor in Secretarial Science will include B.A. 1, 19c, 20c, 24abc, 52ab, or 59abc.

No courses listed below may be counted toward the Bachelor of Arts degree except 19c.

19. (a, b, c) **Typewriting.** Five hours a week throughout the year. Credit, nine quarter hours.

20. (a, b, c) **Shorthand.** Five hours a week throughout the year. Credit, nine quarter hours.

28. (a, b, c) **Secretarial Training.** A course designed to give students an opportunity to take dictation, do transcription and become familiar with office procedure. Prerequisite: B.A. 19 (a, b, c) and 20 (a, b, c). Three hours a week throughout the year. Credit, nine quarter hours.

45. (a, b) **Business Mathematics.** Two hours a week. Fall and winter quarters. Credit, four quarter hours.

52. (a, b) **Business Correspondence.** Prerequisite: B.A. 19 (a, b, c). Three hours a week. Fall and winter quarters. Credit, six quarter hours.

59. (a, b, c) **Office Practice.** This course is designed as a final test of the students' training in secretarial science. They work under actual business conditions in the college offices and receive credit for successful fulfillment of their job. Three hours a week throughout the year. Credit, three quarter hours.

## EDUCATION AND PSYCHOLOGY

MISS MARR

All courses are accredited by the State Department of Education of Tennessee and may be used in satisfying state requirements for the different state certificates.

1. (a, b, c) **Elementary School Subjects.** Materials, methods, and supervised observation. Three hours a week throughout the year. Credit, nine quarter hours.

4. (a, b) **Art for the Grade School Child.** State require-

ment for elementary certificate. Three hours a week, winter and spring quarters. Credit, six quarter hours.

6. **Arithmetic for Elementary Teachers.** Review of Grade School arithmetic. State requirement for elementary certificate. Three hours a week any quarter. Credit, three quarter hours. No credit toward a degree.

25. **Directed Teaching.** Prerequisite: Education 1, or its equivalent and scholastic average of C on previous college work. Directed observation, participation and teaching in city schools for ninety clock hours. Credit, three quarter hours.

49. **General Psychology.** State requirement for teachers' certificates. Three hours a week, fall or winter quarter. Credit, three quarter hours.

51. **Educational Psychology.** Prerequisite: Education 49. Three hours a week, spring quarter. Credit, three quarter hours.

52. **Adolescent Psychology.** Prerequisite: Education 49. Three hours a week, winter quarter. Credit, three quarter hours.

Mr. Oxley.

**83. The Teaching of Social Science.** A study of teaching Social Science in the high school. Three hours a week, winter quarter. Credit, three quarter hours.

Mr. Russell.

## ENGLISH

DR. KURZ

MISS S. V. CLEMENT

MISS THOMPSON

**A. Minimum Essentials of English.** Required of all freshmen who are shown by a preliminary diagnostic test to be deficient in the fundamentals of English such as spelling, grammar, punctuation, elementary sentence structure. For such students this course is prerequisite to English 1 and 2, and to all other English courses. Three hours a week throughout the year if necessary. No credit.

1. (a, b, c) **Written English**

2. (a, b, c) **Oral English**

The principal aims of these two basic courses in English, written and oral, are clear thinking, correct and effective expression in writing and speaking, and intelligent reading. English 1 will meet three hours a week throughout the year; English 2, two hours a week throughout the year. The two courses or their equivalents are required for senior standing and should be taken, if possible, in the freshman year. Credit, 15 quarter hours. This course is not accepted in fulfillment of major or minor requirements.
